1938-2008 PREARO COLLEZIONI LUCE da settant'anni maestri di luce.

Prearo Collezioni Luce Srl, one of the most well-known companies in the sector of contemporary interior lighting, was established in Venice in 1938 by Mr. Angelo Prearo. Our family is thus the successor of the tradition handed on by the Venetian masters who created objects of refined beauty and authentic quality: since then, we have gone on for seventy years with this tradition and always tried to meet the requirements of a demanding clientele for high class furnishing. Our collections are traditionally produced, with the highest care and the "Made in Italy" great skill. They also undergo the rigorous tests prescribed by the present CEI Italian standards. Moreover, our Prearo Collezioni Luce Srl has certified its production in compliance with the UNI EN ISO 9001:2000 Quality System. The fascination of the PREARO collections brought us to develop several worldwide partnerships with well established firms both in the naval and contracting sectors. We have our own special department always at the disposal of projecting and architecture firms for special supplies.

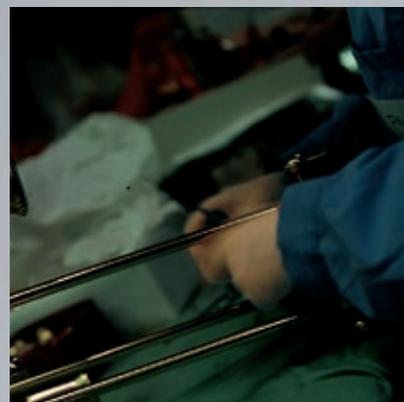

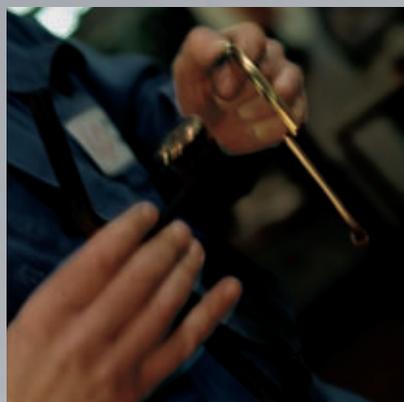

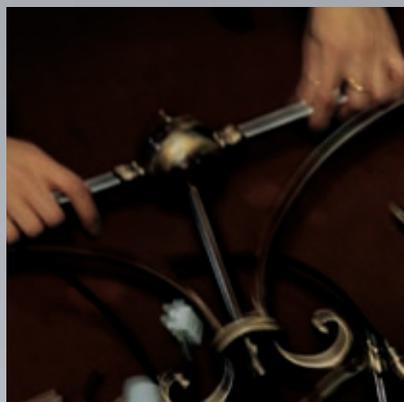

1938-2008 PREARO COLLEZIONI LUCE, lighting masters for seventy years.

Prearo Collezioni Luce Srl, eine der renommiertesten Firmen auf dem Sektor der modernen Beleuchtung, entstand 1938 in Venedig auf Initiative von Angelo Prearo. Seit nunmehr siebzig Jahren gibt unsere Familie das Erbe des Glashandwerks der alten venezianischen Meister, die schon immer Kunstwerke von sublimer Schönheit und höchster Qualität kreiert haben, an die nächste Generation weiter. Wir können mit der Produktion unseres Betriebs jegliche Ansprüche auf dem Gebiet der exklusiven Inneneinrichtung zufrieden stellen. Unsere Kollektionen werden ganz in der Tradition und mit der größten Sorgfalt und Kunstfertigkeit des geschätzten "Made in Italy" angefertigt und sind zudem strengen Kontrollverfahren unterworfen, die von der derzeitigen italienischen Normvorschrift CEI verlangt werden. Außerdem konnte sich Prearo Collezioni Luce Srl mit dem Qualitätssystem UNI EN ISO 9001:2000 zertifizieren. Die Faszination der Prearo-Kollektionen bewirkte die Entstehung zahlreicher, weltweiter Partnerschaften mit bedeutenden Firmen auf dem Schiff- und Contracting-Sektor. Ein eigens damit beauftragter Firmenzweig steht Studien für Planung und Architektur zur Verfügung, um speziellen Produkthanfragen vollauf gerecht zu werden.
